

COCKTAILS AND BEERS

our cocktail list is defined by classics and light twists, we've chosen only a small selection that we hope to deliver perfectly every time using only the best ingredients, from small batch liqueurs, freshly squeezed citrus, eager juices, fever tree mixers, a superior range of vermouths and a unique collection of spirits from around the world

if you fancy a cocktail that isn't listed, perhaps a **singapore sling**, an **aviation** or even a house-made creation please ask, if we can, we will make it with pleasure

COCKTAIL DE LA SEMAINE

anyone for tennis? 9.5

portobello gin, green chartreuse, swedish punsch, casimir clairin rhum agricole and lime, we put together a bunch of spirits that all come from countries that love tennis, except the rhum, which comes from haiti and is often used in voodoo rituals, one suspects maybe in a doll shaped like a particular mr henman, game, set and match!!

BEER OF THE MOMENT

brewdog "monk hammer" ruthless belgian IPA 6

a twist in the classic powerhouse jack hammer, here brewed with belgian yeast for a little spicy yeasty funkiness and cardinal amounts of american hops for a bitter finish of almost biblical proportions
balmacassie industrial estate, aberdeenshire, uk, 7.2%

OLIVES AND NUTS

nibbles for a quid! go on, you know you want to!

pidgeon 8.5

plateau rhum, lime, grapefruit, agave syrup, salt and a ting top
the ultimate summer refresher, originally with and tequila stirred with a machete, we just shake it with our own rhum

puritan 8.5

portobello road gin, yellow chartreuse, dolin sec and orange bitters, in my humble opinion this long lost "classic" is the finest expression of the gin martini, wet, tangy and slightly salty

the perfect storm 9

appleton signature blend, honey syrup, bitters, lime and ginger beer
honey, rum and ginger is always a winner but not quite as good as a **penicillin 9.5**, but few things are

south west sour 9

portobello gin, apricot de roussillon, maury blanc, egg white and lemon
a plateau twist on the perfect lady, and in this incarnation maybe even more perfect.....

ampersand cocktail 9.5

louis royer vs, old tom gin, bepe tossolini amaro, triple sec and bitters
an a.s crockett classic from the waldorf astoria cocktail book, this is serious stuff for educated palettes, or maybe just a manhattan/martinez in disguise

highland shurb 9

gks scotch, crème de mure, lemon, gomme and an absinthe rinse
a classic combination of whisky, blackberry and aniseed, and utterly delicious too

greta garbo 8.5

santa teresa claro, maraschino, henry bardouin pastis, lime and gomme
a scandi twist on the classic daiquiri, with just an underlying hint of "swedishness" probably go down well in marseille too!!

gin dasy 9

ziudam rogge genever, pierre ferrand orange curacao, lemon, orgeat
we couldn't do a list without including something from jerry thomas' bartending manual, so here it is, "gin" almond and orange, boom!!

dia de los muertos 9

espolon reposado, campari, lime, agave syrup pineapple, grapefruit bitters
like a grapefruit margarita without the grapefruit, refreshing, and mortally delicious, just look out for george romero.....

vieux carre 9.5

evan williams bourbon, cognac, benedictine and cocchi vermouth amaro,
perhaps the most “new orleans” of all the new orleans cocktails, the perfect way to start or finish evening

pisco bell ringer 8.5

pisco, lemon, gomme, peychaud’s bitters and an apricot rinse
created 1903 by jim maloney and he patented the name “bell ringer” for serving a cocktail in an apricot rinsed glass,

russian spring punch 10.5

belenkaya vodka, crème de cassis and framboise lemon, gomme, champagne
to finish of we honour the memory of the cocktail legend that is dick bradsell who sadly passed away this year, nostrovial!!!

SANS ALCOHOL

ginger blush 4

eager cranberry, lime, grenadine and peychaud’s bitters and ginger beer
long, spicy and utterly refreshing

zombiesque 4

eager pineapple and grapefruit juice, lime and lemon, gomme and bitters
just like the real thing, just missing that vital ingredient, rum, long, tropical and perfect for the summer

apple cart 4

eager apple juice, lemon, agave syrup, and spanish bitters
a margarita style concoction, served “sans glace” slightly tart, zingy and almost cider like

we also offer a selection of soft drinks and juices including **ting, fentimans elderflower**, please ask your server for more options
